MEMORANDUM

TO: All Personnel Concerned

FROM: Charles F. Takacs
Chief, Bureau of Roadway
Plan Quality Review and
Specifications Development

SUBJECT: Federal Wage Determinations

DATE: 06/20/86 TELEPHONE: 5-2574

Federal wage determinations shall be included in the Supplementary Specifications for Federal Aid projects which are being processed for final PS&E submission to the Federal Highway Administration.

Federal wage determinations that are attached to the Supplementary Specifications shall be exact reproductions of the appropriate pages from the US Department of Labor publication titled General Wage Determinations Issued Under the Davis-Bacon And Related Acts, Volume I. The route and section and the federal project number shall be entered on the cover page.

Modifications of General Wage Determinations are issued to update data in the original determination. Modifications issued after the final PS&E submission and up to 10 days prior to receipt of bids shall be added by addendum.

One copy of the General Wage Determinations and modifications will be sent to offices responsible for processing plans and specifications.

Specification Engineers from this Bureau shall request the federal wage determinations at least 2 days prior to when they are needed for incorporation into the final PS&E. Specification Engineers from this Bureau will receive copies of all modifications.

Lines 101 to 104 of SI ROAD4 shall be changed to read:
